“ Our message to our customers is simple, we can save you money on your heating bills.

Welcome to Clever Energy Boilers and Hinckley Plumbing & Heating Services. Our business has in depth experience in the supply and fitting of efficient boilers from leading manufacturers.

We have successfully installed over 20,000 boilers in the last twelve years across Yorkshire, Lancashire, Midlands, Cumbria, North East, Cheshire, Humberside and Southern Regions. We are Green Deal and Gas Safe accredited with stamps of approval from recognised governing bodies and standards.

“ We work with the **leading industry brands** in the market, who have invested in making clever boilers.

Leading boiler manufacturers now offer up to a 14 year warranty*

These boilers are designed to provide the greatest efficiencies and savings in energy costs.

We are constantly looking for the latest advances in boiler technology and strive to bring to customers boilers that return the greatest performance in heating the home as well as all important reduction in heating bills.

“ **Choose a new efficient gas boiler, and save up to £500 per year.**

We are award winning and industry accredited with first class installation engineers and customer service support. Our business has that all important depth of experience and wealth of knowledge when it comes to boilers.

You can save money on your energy costs with a new efficient gas boiler from a leading manufacturer. We only install A rated boilers which come with up to a 14 year warranty*

Not only can we supply and install your energy saving boiler, but we can service it as well, to keep your boiler in great working order. Plus we provide monthly breakdown cover options to cover boiler and heating systems.

A boiler is one of the largest purchases a household makes. At Clever Energy Boilers, we think we have thought of it all, with our 'clever ways to pay' so you can pay at a rate that suits your budget.

Clever Energy Boilers are authorised and accredited with the Financial Conduct Authority.

We had to replace our boiler, the team at Clever Energy were so helpful with a range of ways to pay, which best suited us. We cannot fault the all round support and peace of mind that comes from dealing with a reputable company.

Don't just take
our word for it...

Trustpilot rating of 4.8

“ I needed a boiler in my new flat. From start to finish the people at Clever Energy made the whole thing easy. With in 2 weeks I had a new energy efficient boiler and a lovely warm home.

“ The whole experience at Clever Energy was a smooth one, from my first dealings on the phone, right through to the installation. We pretty much saw a saving in our heating bills straight away.

“ We realised our boiler was on its last legs, we got a few quotes, Clever Energy Boilers were not the cheapest but we liked the fact we could pick up the phone and speak to someone.

“ Our support team and skilled engineers are backed by industry accreditations and standards.

Clever Energy Boilers has built its reputation on providing an unrivalled service. The support team will guide you in finding the best options to suit you, your home and your budget.

We are proud to sponsor the amazing work by local charities.

Peace of mind heating for your home.

All our engineers are highly experienced fitters and Gas Safe registered.

Whether it's a new efficient gas boiler, annual servicing or you call us out to repair your old boiler. You can expect a level of care that will give you peace of mind.

Clever Energy Boilers recently received the Green Deal 'Installer of the Year' award.
